

Accounting Technology 520302 ACT Career Certificate

Available: Shoals Campus
Advisors: P. Hogan (5232) hogan@nwsc.edu
K. Swinney (6254/5235) kswinney@nwsc.edu

Accounting Technology is designed to meet the need for personnel in a broad range of accounting fields, including accounting systems, recordkeeping, financial statements, payroll accounting, and other areas.

The program is designed for the student who does not intend to transfer to a four-year institution but intends to seek immediate employment. This program is appropriate for students who are employed and wish to gain a better understanding of accounting.

All entering students are required to complete ORI 101 unless transferred from another university or college.
