*3 Distance education courses are not self-paced as deadlines are given throughout the semester. New distance students should complete the distance education orientation in Moodle before the first day of class. All distance courses require at least one proctored or on-campus exam. Students should log into Moodle on the first day of class to begin course work. Please read all details on page 5.

*4 The labs for the distance BIO103 & BIO104 with Mr. Goodloe will be conducted online. Students do not have to register for an on-campus lab.

*5 This is a blended course. Lab will be conducted on campus. See date and time on course listing.

*6 In order to complete English courses in a distance format, students must have Microsoft Word or ability to save documents in Microsoft Word format.

*7 In order to complete CIS146 in a completely distance format, students must have Office 2013/365. Windows 7 is required for CIS249.

*9 This is a blended course. Students must play golf at a course specified by Mr. Lee and should contact Mr. Lee prior to registering.

*10 Students are encouraged to come to campus three times during the semester to deliver speeches. Students who are unable to come to campus must have a camera/video recording device, microphone, high speed internet connection, and access to 10 audience members who are age 18+.

*11 This is a blended course with a Co-Requisite of BIO103L. Students may register for any of the BIO103L sections offered.
