

2018-2019 INSTITUTIONAL VERIFICATION DEPENDENT STUDENT

Your 2018-2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a parent whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

C. Tax Filers Income Information

Student Tax Filers - Complete this section if the student filed or will file a 2016 IRS income tax return(s). The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. In most cases, no further documentation is needed to verify 2016 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed by the FAFSA filer.

Check the box that applies:

- Check here if the student has used the IRS DRT in *FAFSA on the Web* to transfer 2016 IRS income information into my FAFSA, either on the initial FAFSA or when making a correction to the FAFSA.
- Check here if the student has not yet used the IRS DRT in *FAFSA on the Web*, but will use the tool to transfer 2016 IRS income tax return information into the student's FAFSA.
