

2020-2021 Unusual Enrollment History Review

The U.S. Department of Education has flagged your 2020-2021 Free Application for Federal Student Aid (FAFSA) for “Unusual Enrollment History Review” because you have received Federal Pell Grant funds at multiple education institutions. This flag requires our office to review your enrollment history and determine if you are enrolling for a legitimate educational purpose. In the process of reviewing your enrollment history our office will check with the National Student Loan Data System (NSLDS) to obtain a complete history, including the name of institutions you have attended and the dates of attendance. If you have questions, contact us promptly to prevent delay in the financial aid processing.
