

How to Order Your Materials Online

- Visit our website: www.nwscshop.com
- When you see the **BOLD** words: Get Your Textbooks, Click the **BLUE** button that says FIND COURSES.
- Select Department: For EXAMPLE: ENG is English, MTH is Math
- Select Course: For EXAMPLE: 100, 210,
- Selection Section: This is the 6-digit CRN number found on your schedule. This is needed for several classes, as some teachers do not use the same material as others. Many classes however do use the same material regardless of teacher. The best way to find this information is to click on a CRN number and compare the listed material to your SYLLABUS. If you still cannot locate your material needed, feel free to call the bookstore.

Things You May Not Know About Ordering Online

- You can purchase your materials with your financial aid.
- You can have your materials shipped to you, or you may have them shipped to the school for in-store pickup.
- You will receive a confirmation of your order. Then you will receive a second email when your order is ready for pick-up.
